Dear State Secretaries

Re: Notification 69th Annual General Meeting

I am writing to advise that the 69th Annual General Meeting of the Australian Croquet Association Inc will be held at 9.30am on Monday 26 March, 2018 in Adelaide the day after the Eire Cup at the Croquet SA headquarters, Hutt Rd, Adelaide.

State Associations are requested to send in writing notices of motion for inclusion in special business, a form is attached, and should be received by the ACA Secretary no later than Thursday 15 February, 2018. As prescribed in the Constitution, three of the current Directors stand down and elections will be held for three positions. States are encouraged to nominate people who wish to contribute to the governance and direction of the sport of croquet in Australia.

Nominations for Director positions must be received by Thursday 8 February. A nomination form is attached.

Following the AGM, a Discussion Forum will be held and State Associations are invited to suggest topics.

Please be reminded that Board Members have no voting rights and may not be a delegate. Each State Association is asked to send a representative who has the right to vote as well as being able to express the opinion of their State.

It would be appreciated if this information could be distributed to each Club for the information of members

If you have any queries please do not hesitate to contact me.

Kind regards

Graeme Thomas
A/g ACA Secretary/ Administrative Officer
