Tony McArthur moved that the minutes be approved.

4. Business Arising from the Minutes

4.1 Actions arising

	Action	Responsibility	Completion Date

4.1.2	Vision Statements	Directors	Ongoing
4.1.3	Claim Form and list of Reimbursements	Treasurer/ AO	See Agenda Item 8.2

4.1.1 The Secretary gave the Directors an update of the discussions that had been held with the webmaster and passed on apologies as the new front page was not ready for this meeting.

Once the Board can see the new 'look' and decide what else is needed to be added, a scope of works can be developed and quotes sought if necessary.

Murray Tinker said that 'News' should continue to be part of the first page.

Mike Cohn said that Appointed Officers should have the capacity to update their relevant sections.

It was noted that Office would be content editor.

- 4.1.2 Murray Tinker said that he and Megan Fardon had had a meeting with the Australian Sports Commission and reported that when he repeated Croquet New Zealand's vision statement "More people playing better croquet more often" Matthew Warr said that this is ours [ASC's]. Murray went on to say that he and Megan had come up with the following – "growing participation, nurturing skills to achieve word class results". Mike Cohn said that this statement could alienate social players. Another thought was "enrich your lifestyle by playing croquet". It was suggested that the first statement may be preferable if the 'to' was omitted i.e. "growing participation, nurturing skills, achieving world class results".

Megan Fardon asked if a Dropbox could be set up for the Directors to continue adding their thoughts.

Don Close asked if this exercise was leading to creating action plans. Megan said yes; a new strategic plan, with achievable outcomes.

- 4.1.6 Murray Tinker wanted to know if the WCF's Secretary General had asked for an explanation and was informed no, he had not, and some of the complaints were addressed to the WCF not the ACA.

Mike Cohn said the Working Group had viewed the Under 21's as a subordinate event; there was some confusion with the Plate as the Qualifiers were being held at the same time. He also said that it is very likely that future Under 21 world championships will be held as a separate event.

- 4.2 Business arising from the minutes of the meeting held on Tuesday 28 March, 2017 Graeme Thomas asked on behalf of the South Australia Croquet Association that the proposed face to face meeting initially mooted for Wednesday 4 and Thursday 5 July be moved to Tuesday 11 July and Wednesday 12 July.

It was noted that Tony's first task is to find a National Co-ordinator Coaching – GC.

This engendered a discussion but in the end the status quo remains.

8. Finance

8.2 Reimbursement – draft

8.2.1 Discussion – what can be claimed

The Treasurer provided a list of items that Directors can claim conducting ACA business. Directors suggested some additions –

- Taxi from home to airport and return
- Airport parking charges (whichever is the cheaper – taxis or parking)
- Road tolls

Some felt that reimbursement of \$0.31 per was quite generous for a not-for-profit organisation.

The form to be on-line. It was also agreed that requests for reimbursement should be sent within three months of incurring the expenditure.

The Board went onto discuss Directors' attendance at Events.

It was agreed that the Chair should attend both the President's GC and AC Eights. The discussion also encompassed attendance at International events and sport conferences but it was felt that these could be looked at by the Board on a needs basis.

8.2.2 Claim Form

The Treasurer to update the form and it is to be placed on the website. The Treasurer reiterated that copies of tax invoices/receipts are to accompany every claim form. Completed forms to be sent to finance@croquet-australia.com.au. Remittance advice is to be sent via MYOB

- 8.3 Australia's MacRobertson Shield Team
In honour of the team's win, the Treasurer moved that ACA pay for the team to attend the final dinner and provide a contribution towards drinks up to AUD \$800.
Seconded Tony McArthur
All in favour

AO to contact the Team Manager to facilitate this gesture from the Board.

9. Strategic Plan

- 9.1 The Chair reported further on the meeting that she and Murray Tinker had with Matthew Warr from the Australian Sports Commission and said there were two major priorities to be accomplished in the next six months – membership data base and increasing the participation numbers. The latter can include people who attend croquet clubs for 'come and try' days, parties, conferences etc and to collate this information a new level of membership may need to be introduced. The ASC recommended that the database contain minimal fields – name, email address, gender and age range.

The Chair noted that these two priorities require a number of issues to be resolved and suggested that the Board may wish to set up two working committees and will contact each Director in a fortnight's time.

[Secretarial note; Murray Tinker raised a question after reading minutes from Croquet Queensland and in order to keep the query in context it has been included under Item 14 – Issues from State Associations]

15 Issues from State Associations

- 15.1 Murray Tinker had noted that in the minutes of Croquet Queensland's Management Committee meeting that ACA was to be asked to take on the management of ricochet, Don Close spoke wearing his Deputy President of Croquet Queensland's hat and said that Croquet Queensland had developed the rules and printed the 'Rules of Ricochet' but is anticipated to send a request shortly for the ACA to take over in twelve months. CAQ will formally write to ACA with this request. The possible move could be a Discussion Forum Item.

10. Policy/By-Law/Terms of Reference Update

11 WCF

- 11.1 The Chair asked if a letter had been sent to the World Croquet Federation's Secretary General informing him of changes to the ACA Board. The Secretary said that an email had been sent but only addressing the retirement of Robyn Wallace and the appointment of Megan Fardon to the position of Chair.

12 Gateball

13 Matters Arising Appointed Officers

14 Matters Arising from Committees and Working Groups

- 14.1 Process of appointments and who to AC Selection Committee
The Secretary explained the current practice of appointing people to Selection Committees, Tournament Committee and Event Committee is outlined in the By-Laws which under the new constitution still apply until they are reviewed and made into a policy.

The Board can second people if there is a vacancy. As it is expected that the AC Selection Committee will shortly be announcing the team for the AC Trans-Tasman it is necessary to fill two vacancies.

The Chair moved that Trevor Bassett and Martin Clarke be seconded to the AC Selection Committee.

Seconded Don Close.

Those in favour – Megan Fardon, Don Close, Tony McArthur, Jim Nicholl, Murray Tinker, Graeme Thomas

Mike Cohn abstained

- 14.2 Process of appointments and who to GC Selection Committee
It was agreed that any secondments to this committee be deferred.

- 14.3 Process of appointment and who to GC Tournament Committee
It was agreed that as this is a new committee it would be appropriate to define the terms of reference and complete job descriptions. The Chair asked Jim Nicholls to head up the working committee which will include Tony McArthur and Peter Freer. The Chair to talk with Peter during the GC Open Doubles.

16 Tournaments

- 16.1 Certificates of Appreciation – see supporting papers
The Board was shown an example of the proposed certificate and it was agreed that the wording would be altered to 'Certificate of Appreciation to' not Certificate of Appreciation awarded to.....'

20. Other Business

- 20.1 Tony McArthur asked if the Office had received any communication from the National Coordinator U21 Croquet. The Administrative Officer said that notification had been received as to the preferred location of the Australian GC Under 21 Championship for January 2018 and that usually this type of decision had not previously required Board approval as it was an operational matter and had been endorsed by the Events Committee. It was agreed this be left to the expert committees.

However it was noted that South Australia had wished to host the event in January 2018 as it was their centenary year. The Administrative Officer was asked to talk further with Jacky McDonald and the Events Committee Chair.

- 20.2 The Chair asked that the draft minutes be circulated via Dropbox by Thursday 11 May.
